

Are you fed up chasing unpaid childcare fees?

Today more than ever, times are lean, and families face greater financial challenges than ever before. As providers of credit, childcare facilities are increasingly exposed to unpaid fees. But now you can do something about it by taking advantage of the debt recovery system specifically built for childcare.

Sometimes prevention is better than a cure

- 1 Subscribe to the the childcare credit reference service[^] (25% discount^{**} for Childcare WA members)
- 2 Conduct pre and post-enrolment credit checks to determine if applicants have a history of unpaid fees
- 3 List your unpaid fees to pre-warn other childcare operators
- 4 Receive email notifications when your debtor applies at another childcare provider

***25% discount offer is valid until 30 June 2010. Proof of membership to Childcare WA will be required to secure this special rate*

Outsourcing your debt recovery is easy

- 1 You provide an estimate of your debt portfolio
- 2 We structure a schedule of fees including a fixed commission rate according to the age and size of your debt portfolio
- 3 You provide details of the debt and relevant contact details
- 4 We contact your debtor and negotiate a suitable payment arrangement on your behalf
- 5 We will continue to send you payments as they come in less our agreed commission rate and any other fees that may apply*

[^]Childcare credit reference service is owned and operated by Fetch my Debt Pty Ltd

*Unless specified in writing Fetch my Debt provides a debt recovery service in exchange for a fixed rate of commission. Once we commence work on your debts the quoted commission rate applies. Debts withdrawn prior to settlement may attract an administration charge to cover any expenses incurred.
